

50th Anniversary Route 66 Tour

Come join the fun as MBCA's 50th Anniversary Route 66 Tour stops in Oklahoma City on Thursday, September 21st. At least 90 Mercedes-Benz automobiles will arrive from Tulsa around noon. Most are staying at the Hampton Inn, located at 1905 S. Meridian, Oklahoma City. The staff at this hotel has been fantastic to work with. We will have a hospitality suite and meeting room to greet people as they arrive. Packages are being mailed to each entrant with maps and listing of the many points of interest in Oklahoma. Members will have the opportunity to tour one of the finest antique car museums around. A shuttle bus will pick people up at the National Cowboy Hall of Fame and Western Heritage Museum, located at 1700 NE 63rd Street, Oklahoma City and take them to the museum and back. We reserved the Special Events Center at the National Cowboy Hall of Fame and Western Heritage Museum for a dinner starting at 6:00 PM. County Line Bar-B-Q will cater dinner. Following dinner we will enjoy a private tour of the museum. Registration for the dinner and tour is closed, but people that have not registered can still participate in other activities. This evening will replace our regular September member's meeting. Help is needed at the hotel and both museums. If you can assist, please contact JD Ogle at 405-390-9125 or jd.ogle@cox.net.
